Summary

I am Nadine Bliss, I am 18 years old and I am currently in my freshman year at Colorado State University for music education. I graduated from Colorado early colleges in 2025 with my associates of art. I have been playing flute for 11 years and I was a member of my high school concert band and jazz band as well as a member of Fossil Ridge HS marching band and winter guard. I am looking for a part-time job that will see me through college. I am highly organized, quick to learn, and flexible. I enjoy working as part of a team but I am also happy to work independently and you will find that I am very reliable

This was an internship at Colorado Early Colleges Middle School. I assisted my band teacher with her middle school flute players. The students I taught were very appreciative of the help I gave to them, this has fostered my desire to become a music educator. You can reach my band director, Ashtyn Rossman at ashtyn.rossman@Coloradoearlycolleges.org

I watch over the house, 2 dogs, and 2 kids. I make sure the house is clean when there parents come home, that the kids are in bed and tired from a fun day, and that the dogs are fed and walked. I help them with homework and listen to any and everything they have to say. I make sure they explain things they may not understand and let them do things themselves with my supervision. My main goal is to make the parents, dogs and kids happy
